NOTE FOR: General Wilson

On 12 May 1975 Admiral Inman sent a memo to the DCI proposing USIB policy on liaison relationships with foreign countries.

The DCI referred the proposal to you and it was subsequently sent to me for review and recommendations.

I propose that the Security Committee address this matter since it could have community ramifications. Based upon the Committee's findings we will make appropriate recommendations to the DCI and the Board.

For the interim period, I suggest that you sign the attached memorandum to Admiral Inman informing him that the matter has been referred to the Security Committee.

Chairman
